*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Through the testimonies and encounters of seasoned people of faith, we learn about the necessity of song and praise; about preparation for the soon return of Christ; about the significance of knowing the character of God and of having respect for God. We learn, too, about the visitation of angels and of Holy Spirit; about the power of words-both ours and what the Word of God says; about doing spiritual warfare for our families; about the price, but great reward, of learning to live a surrendered life to the Giver of life; about the indispensability of prayer-and how to pray--and of setting right priorities. We learn how to handle difficult problems and how to live victorious lives under pressing circumstances. Most importantly, we learn about the love of God, His grace and compassion, and how He longs to be our All-that is, to be everything needed by each of us! What more could a person desire? This book is a collection of memories for all generations! Remember His marvelous works which He has done, His wonders, and the judgments Of His mouth, . --Psalm 105:5.
