But, Dr. John Stone, extends that axiom further--you are what you eat, eats. Backyard Pet Chickens A Beginners Guide is a shocking report of what's happened to our food and a comforting solution in how to help control the quality of what we eat by getting into organic chicken production. In an easy, step-by-step process, the reader is given a turn-key experience to starting a backyard chicken coop. Nothing is left out, not even observance of state and local laws-Dr. Stone covers it all-which is what makes this book stand out from all the others: it gives the reader honest, accurate information that can transform their lives while improving the quality of their diet and health.
