The Paladins, an elite band of warriors sworn to protect their way of life at all cost, search for the one with the ability to bring their world crumbling down. An innocent girl, tormented by demons only she can see, lives on the brink of insanity and longs for a life of peace. When seventeen-year-old Jade Rosenberg reads from an antique book, she has no idea she just read an incantation awaking her inherited power. But when opposing-and equally terrifying-groups invade her home, she learns she is descended from an enchanted realm and a member of a powerful race thought to have been hunted to extinction. Ripped from her world, Jade is forced to seek refuge from those who want her dead. She is given one of two options and the time has come for her to make a choice: assassinate their sworn enemy. Or sacrifice her soul.
