

The Story of American Freedom

By Eric Foner

W. W. Norton & Company, 1999. PaperBack. Book Condition: New. Eric Foner, DeWitt Clinton Professor of History at Columbia University, examines freedom not as a timeless truth but as a value whose meaning and scope have been contested throughout American history. In this sweeping narrative, he depicts freedom to have been shaped not only in congressional debates and political treatises but also on plantations and picket lines, in parlors and bedrooms, by our acknowledged leaders and by former slaves, union organizers, freedom riders, and women's rights advocates. Notes, Index. B&W illus. 422p.
