By Francis C Marshall

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from A Military Primer: Including an Outline of the Duties and Responsibilities, of the Military Profession and an Elementary Discussion of the Principles, and Practice of the Service of Security and Information This book is in no sense a textbook for advanced students of military science, but a book for the beginner, designed to teach the cadets of the Military Academy, at the very beginning of their military education, the objects of the profession for which they are preparing themselves, to show them the reason for the discipline to which they are subjected, and to define some of the independent duties of subaltern officers, in time of war in connection with the service of security and information. In this service they must be trained, first, by thorough theoretical study of the general principles involved, and then by such practical applications of those principles as can be made when the enemy is imaginary, and all danger, save that of criticism, is absent. Whether an officer so trained will prove valuable under the conditions attending actual hostilities, will always remain more or less...
