A Text Book on the Chemistry and Agriculture of Tea: Including the Growth and Manufacture (Classic Reprint)

By M Kelway Bamber

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Text Book on the Chemistry and Agriculture of Tea: Including the Growth and Manufacture In this work on the Chemistry and Agriculture of Tea, an endeavour has been made, without entering into the minute details of cultivation, c., to lay before the Planter the main chemical and physical facts affecting all the processes included in the cultivation and manufacture, and to point out, where necessary, the means that may be adopted to increase or modify the natural influences at work. A brief account is given of the original introduction of the plant from China as collated from Ball's Cultivation and Manufacture of Tea, and Fortune's Wanderings in China, and the discovery of the Indigenous Variety in Assam; also of the soils on which it is grown in the former country, in order to contrast them with those which have been selected for its growth in India. The functions of the various parts of plants and their importance in the vegetable economy are fully dealt with to point out the effects of plucking,...
