Hank craves to have the ultimate monsters to himself: the Ender Dragon. Hank realizes that he won t be able to do something this crazy by himself, so he gets some of his monster friends, and his villager friend Sara, to help him along the way. In Hank s second diary he will seek help from a mysterious witch, an old written myth, and his friends. He will travel all over Overworld, into the Ender world, and even into The End. While this task might be impossible for anyone else, there s something special about Hank that helps him get through all of this.something he didn t even know about himself until now.
