

Scrolling Forward: Making Sense of Documents in the Digital Age

Filesize: 2.3 MB

Reviews

This pdf may be worth acquiring. It can be written in easy words and phrases and not hard to understand. I am pleased to tell you that this is basically the finest book I have read through during my personal existence and might be the greatest pdf for at any time.

(Jeffry Tromp)

SCROLLING FORWARD: MAKING SENSE OF DOCUMENTS IN THE DIGITAL AGE

Skyhorse Publishing, United States, 2016. Paperback. Book Condition: New. 2nd. 226 x 152 mm. Language: English . Brand New Book. A fascinating, insightful, and wonderfully written exploration of the document. Like Henry Petroski's *The Pencil*, David Levy's *Scrolling Forward* takes a common, everyday object, the document, and illuminates what it reveals about us, both in the past and in the digital age. We are surrounded daily by documents of all kinds: letters and credit card receipts, business memos and books, television images and web pages; yet we rarely stop to reflect on their significance. Now, in this period of digital transition, our written forms as well as our reading and writing habits are being disturbed and transformed by new technologies and practices. An expert on information and written forms, and a former researcher for the document pioneer Xerox, Levy masterfully navigates these concerns, offering reassurance while sharing his own excitement about many of the new kinds of emerging documents. He demonstrates how today's technologies, particularly the personal computer and the World Wide Web, are having analogous effects to past inventions such as paper, the printing press, writing implements, and typewriters in shaping how we use documents and the forms those documents take. *Scrolling Forward* lets us see the continuity between the written forms of today and those of the past. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history—books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are...
