Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Oxford University Press, United Kingdom, 2012. Mixed media product. Condition: New. UK ed.. Language: English . Brand New Book. At Home With Handwriting 2 is a fun activity workbook for children, aged 5-7 years, to do at home. Using a variety of tasks such as filling in missing letters and copying, children will establish a comfortable and efficient pencil grip, write and join up letters correctly, and leave appropriate gaps between words. The illustrated step-by-step activities are simple enough for children to work through on their own, or equally perfect to do together with an adult giving encouragement. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity! This book is ideal to build confidence in writing at primary school.
