Sathyam Sivam Sundaram is a continuation of the life story of Bhagawan Sri Sathya Sai Baba, the Absolute Divinity wearing the robes of humanity in order to inspire and goad humanity towards Divinity. His image will vividly gleam in the pure hearts of seekers of truth till eternity. The view of wisdom is always available to the lovers of wisdom. It is, however, fashionable to disbelieve anything which is beyond the scope of verification the physical sciences which deal with the external aspects of creation. Although the Unmanifested, like Manifested, is verifiable by methods which transcend science and for this very reason the spiritual means are considered worthless by the sceptics for practical purposes. Divinity, however, can be indirectly (intellectually) comprehended and also can be directly apprehend (experienced) by those who wish to uncover the Real from the smokescreen of Maya which either veils the Real or projects upon the unreal an appearance of the Real. A conclusive proof, if it be needed, pertaining to validity of the philosophy of the Vedanta, is found in the glistening and golden history of the present Incarnation, in order to experience His Divinity all you are called upon to do is to surrender, not your belongings, but your ego. Implement His directions implicitly to experience Bliss ex-ifficently. book.
