Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 52 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. A great gift for anyone who wants to worry less. Worry is a sin. Fear is sin. Hope is a promise. Some of you worry about today, tomorrow, and yesterday. Hey, some of you even worry about your worries. The seriousness of worry can have deep relational, emotional, spiritual, and physical effects on us. The understanding of the level of our sin is inversely correlated to the faith and trust in our lives. Faith and hope displayed in our lives by Christ is a promise. He gave us the hope we have in Him, and that hope is a promise that we can have 100% trust in and a 100% faith in the future with Him. On the positive side, worry can bring our dependence to greater rest on Christ in all things. For in the understanding that worry is normal, we come to realize the only true remedy is Christ. That realization can help us to pray more to Him. By reaching to Him with our doubts He can bring us peace. The power of prayer is the most important thing in your life, so let's get praying.
