Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Healing Dynamics Incorporated, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sacred Marching Orders is an introduction to the energy of the solar feminine. Women's socialization into powerlessness under the patriarchal paradigm has created a devastating loss of the rich resources of women at a time when these are desperately needed. This book shows how the qualities we are comfortable with as women, such as nurturing, receptivity, and listening can be used as the fertile soil from which an uncompromising, effective, powerful action can spring forth. This, in collaboration with other women wielding that same Mother Bear Fierceness, can be the energy that reverses the destructive trajectory we are traveling on, on our precious Mother Earth. Women are the answer. The solar feminine is the crucial energy and NOW is the time. This is the 11th hour.
