ENVIRONMENTAL DEBT

Hardback. Book Condition: New. Not Signed; For decades, politicians and business leaders alike told the American public that today's challenge was growing the economy, and that environmental protection could be left to future generations. Now in the wake of billions of dollars in costs associated with coastal devastation from Hurricane Sandy, rampant wildfires across the West, and groundwater contamination from reckless drilling, it's becoming increasingly clear that yesterday's carefree attitude about the environment has morphed into a fiscal crisis of...
