Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from HOW THE WIND DEMON BEEN SAVE THE WORLD Terra Earth is sleeping now in Father Sun s warm embrace. His adversary is a corporation of elite players in media, military, government and industry bent on building a secret, high-risk--and highly profitable--hot fusion power plant in lower Manhattan. The Wind s battleground is a cordoned-off section of the Lower East Side now dubbed District of Containment and currently used as an indefinite holding area for dissidents and enemies of the state. I mean, figured Sideswipe, you take too much shit away from people, they got nothing to lose, am I right? Pretty soon law an order, even civilization as we know it-it don t matter to em no more.
