Mobilising Bond Markets for a Low-Carbon Transition (Paperback)

By -

Organization for Economic Co-operation and Development (OECD), France, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This report describes the development of the green bond market as an innovative instrument for green finance, and provides a review of policy actions and options to promote further market development and growth. Since 2007-08, so-called green bonds have emerged and the market has risen from USD 3 billion in 2011 to USD 95 billion in issuance in 2016. For policy makers, the report proposes a framework for understanding potential directions of bond market evolution, increased convergence of rules and definitions, and quantitative analysis of the potential contribution that bond markets can make to a low-carbon transition.

Reviews

Very beneficial to any or all class of individuals. It is rally interesting throgh looking at time. You will not feel monotony at at any time of your time (that's what catalogs are for concerning in the event you question me).
