Recovering Federalist LLC, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Enough!, written by Publius MMX, Recovering Federalist, is a continuation of the Federalist No. 86 series, which picks up where the original Federalist Papers left off 220 years ago, following ratification of the United States Constitution. While making reference to the original Federalist / Anti-Federalist Debate, the Federalist No. 86 series focuses on current conditions that exist in the United States today. Enough! focuses on the American Political System, and challenges facing American Government in the context of current conditions and circumstances. It explains the core causes of these challenges, based on fundamental principles of the laws of nature and nature's God, including inalienable individual rights, including life, liberty and property, with an emphasis on personal responsibility. It illustrates these important principles with heartwarming examples and success stories. Ultimately, it is a how to manual and a call to action. It explains fundamental structural and governmental reforms that are required to fix the foundation of the American Political System and Government, to perpetuate true lasting prosperity, and help America achieve its ultimate destiny.
