*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Most of the Bible was written by Jews and in Hebrew. Most of the early Christian leaders were Jews. Even Paul, called the Apostle to the Gentiles, would visit the synagogue first and preach there, and he wrote with great passion about his hope for his own people. Many modern Christians have forgotten about their Jewish roots. They may not formally rip pieces out of their Bibles, but much like the early Christian heretic Marcion, they act as though these portions of scripture no longer apply. They don't read them, study them, preach from them, or apply them. As a result, they often do not understand the New Testament correctly. Nancy Petrey has a passion both for the Jewish people and for calling Christians to understand their Jewish roots. In the pages of this short book, you'll get a taste of the way in which Christian history and belief has Jewish roots. You'll be blessed if you learn to recognize those roots.
