The Little Book of Boris

By Iain Dale

Harriman House Publishing. Paperback. Book Condition: new. BRAND NEW, The Little Book of Boris, Iain Dale, Boris has star quality, loved by many, ridiculed by some, feared by others. With a shake of that foppish blonde mop, a glimmer of that madcap smile and the voice of the public school boy - Boris says things that few other politicians would or could (or perhaps should!) The allure of this blundering rascal of the Tory benches is that he is who he is, and does what he does. Whether his ethos enrages you or his policies prick your principles, his magnetism is undeniable because he makes mistakes and says things that should not be said, perfect in his imperfection. This may be a little book, but thanks to Boris, it's big on fun, comedy, life and spirit. Containing a selection of the best Boris-isms for you to devour, quotes by Boris and quotes about him, many illustrated by specially commissioned Hoby cartoons, plus a handy reference to the history of Boris. Why not put a little bit of Boris into your life?.

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

This book might be worthy of a go through, and a lot better than other. It had been written really properly and helpful. You may like just how the author wrote this publication.
