A Positive Approach To Raising Happy, Healthy and Mature Teenagers Adolescence can be a time of great stress and turmoil not only for kids going through it, but for their parents as well. The methods in this book work to build vital social and life skills through encouragement and empowerment--not punishment. Truly effective parenting is about connection before correction. Over the years, millions of parents have come to trust Jane Nelsens classic Positive Discipline series for its consistent, commonsense approach to raising happy, responsible kids. This new edition is filled with proven, effective methods for coping with such parenting challenges as: -Fostering truly honest discussions with your teen-Helping your teen handle the online world -Turning mistakes into opportunities-Keeping your sanity while raising your teen and making sure your own teenage issues arent weighing you down-Teaching your...
