Brand New Book ***** Print on Demand *****.Excerpt from Report on Fish Breeding Operations, Vol. 2: In the Dominion of Canada 1889 Sir, - I beg to submit the annual report on fish-breeding operations in the Dominion of Canada for the year 1880, in which will be given the particular transactions which relate to each of the hatcheries, especially as to the number of fish-eggs which have been laid down in each nursery, and the young fish of various species which have been bred and turned out of the several establishments during the past year; a summary of the work performed at, the wants required for, and the general standing of each nursery will be included. There will also be found appended to this general report, the individual reports of the several officers in charge of their respective institutions in the several Provinces. In these, fuller details will be given, descriptive of the varied operations of capturing parent fish, hatching the ova, and distributing the several species of young fish in the waters of the various sections of the country. The output of fry during the past year has been under that of former years, by reason of the reduced supplies of ova that we obtained in the season of 1888. Great success, however, has attended the collecting of eggs during the autumn just closed. The gross number amounting to upwards of 136,000,000, or an increase of some 37,000,000 over the previous year. Taking the work as a whole the year's operations are of the most satisfactory character, and judging from the numerous applications which are being continually made by individuals, and public bodies throughout almost every section of the country, for fry...
