In a world that just seems to be going faster and faster, this book is a lighthearted look at one mans attempts to simply step back and get out and go fishing. You will find a collection of stories, some are funny, some are bittersweet and some chronicle the embarrassing, awkward and inexplicably funny situations that a regular family guy deals with in his quest to get out on the water! Our narrator soon learns that even though our goal is to catch fish, fish arent necessarily the reason we go fishing. This item ships from La Vergne, TN. Paperback.
