Beacon Press (MA), United States, 2003. Hardback. Book Condition: New. None.. 193 x 141 mm. Language: English . Brand New Book. A joyous collection of tributes-both original and previously published-that celebrate the gifts of remarkable teachers. Teachers have always made an indelible impression on their charges. Now, in this new book, Gloria Wade-Gayles has brought together a winning and touching collection of pieces about teachers and teaching, with inspiring and dramatic anecdotes woven in. Each story offers a new and unique perspective on some of our country's most beloved teachers. With pieces by legendary writers like Langston Hughes and Alice Walker, we see how a strong teacher can turn a nervous child into a world renowned artist. Robin D. G. Kelley frames a short history of busing with a sweet story about having a crush on his third grade teacher. Marian Wright Edelman celebrates Howard Zinn's teaching style, his insistence on exploration and questioning; and Zinn himself provides an opinion on the profession he has practiced for most of his life. But we also hear from a diverse group of students: writers who were part of the first wave of integration in their school system and immigrants who learned to speak English and participate in American culture in their schools. We get stories from Catholic schools, public schools, college classrooms, and more. In this age of standardized testing, *In Praise of Our Teachers* is a wonderful reminder of the immeasurable influence that teachers will always have on their students.
