ON GRAVITATION AND ELECTRIC CHARGE (PAPERBACK)

on gravitation
and
electric charge

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this final paper on quantum gravity, we amend our previous conclusion (see Observations on the Quantum Mechanical Nature of Gravity) that the motion of mass alone gives rise to the magnetic force. Instead, we conclude that magnetic fields are generated by the motion of both the electric and gravitational charges. In addition, we determine that the photon and...

Reviews

I just started looking over this ebook. It is actually rally fascinating throug reading period of time. You wont really feel monotony at anytime of your time (that's what catalogues are for about when you request me).

Completely essential read pdf. It is definitely simplistic but shocks within the 50 % of your book. Its been designed in an exceptionally straightforward way which is simply following i finished reading through this publication in which actually changed me, change the way i believe.

-- **Damon Friesen**

Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
